

World Dental Forum 2015 October 20-22, Hong Kong

Welcome to the World Dental Forum 2015

The World Dental Forum is a global initiative created by the Modern Dental Group and their partners. The forum, held at the Grand Hyatt Hong Kong from 21st to 22nd October 2015, presents a unique opportunity to meet highly regarded international speakers updating you on the latest dental know-how and creates a space for you to exchange your knowledge and expertise with your peers. On the day prior to the forum (20th October), you have the option to visit Modern Dental Laboratory in Shenzhen which allows you to view this world class production facility.

Hong Kong is a vibrant city that stems from a rich blend of cultures, where tradition and innovation create amazing opportunities for exchange and enjoyment. The World Dental Forum offers this same combination of tradition and innovation to bring you the best in continuing education.

We look forward to seeing you in Hong Kong.

SIGHTSEEING

The Peak

The Peak is the highest point in Hong Kong and is the pinnacle of what the island has to offer, with breathtaking views of the harbour and city. There is a myriad of shops and restaurants at your disposal but it's the Peak Tower and the Sky Terrace that offer the best views across the city. If you are lucky enough to get there on a clear day you will even catch a glimpse into China.

The peak tram is a visual experience in itself and arguably the best way to truly experience the beauty of Hong Kong's natural wonders. Take the tram and watch Hong Kong's skyscrapers slide past your window as you make your ascent to The Peak.

DisneyLand

Escape from reality and take a family trip to Disneyland Hong Kong, located in Penny's Bay, Lantau Island. Spend the day enjoying an abundance of attractions, shops, tours, dining and entertainment for all the family. Become encapsulated in the magical land and enjoy parades and firework shows and even meet some of your favourite Disney characters.

Partner tours available. Limited spaces. Please ask us for more information.

Ngong Ping and the Giant Buddha

Visit the largest sitting Buddha statue in the world on Lantau Island. Climb 260 steps for an up-close view of the Buddha, the surrounding statues and the spectacular view witnessed from that height. The Ngong Ping 360 is a 5.7km cable car ride which stretches from Tung Chung to Ngong Ping Plateau. This 25 minute cable car ride is a relaxing way to take in views of Lantau Island, the Giant Buddha and Ngong Ping Village.
